

## LEATHER CARE

**Gives matchless gloss to the inside of the car. Particularly suitable for leather, leatherette, plastic, and wood dashboards where it becomes dust repellent, shiny, and delicately scented.**

## FABRIC CLEANER

**Special product for cleaning fabric upholstery, its light foaming action eliminates all types of stains from textiles and fabrics.**

## TIRE SHINE

**Special product to clean, shine, protect, and preserve from chapping tires and all rubber parts. It maintains the elasticity of canvas and renews the natural colour.**

## **ANTI FREEZE**

**Antifreeze fully inhabited for maximum protection, suitable for use in petrol & diesel engines including all turbo charged engines.**

## **GLASS CLEANER**

**Detergent for glass, crystal, mirrors, plastic, leather, and leatherette.**

**Particularly suitable for cars, thanks to it's special formula which wipes cleans screens and all other parts covered in smoke, greese, tar, smog, midges etc.**

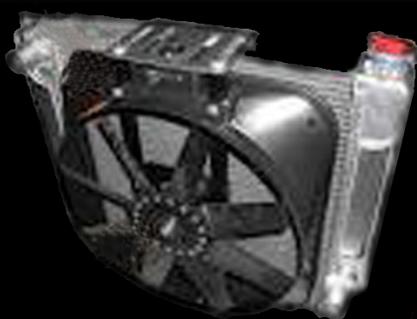

## **RIM CLEANER**

**Product purposely created to clean steel, alloy rims, and plastic rim covers. Acts rapidly against the black residues left by brake shoes.**

## **Radiator Cleaner**

**Suitable for all engines when carrying out radiator and cooling system repairs. Cleans the entire coolant system. Dislodges and removes lime and corrosion deposits.**

## **ENGINE DRY CLEAN & SHINE**

**Essential product to degrease, deterge and remove deposits from engines and all mechanical parts in general.**

## **RADIATOR COOLANT ANTIRUST & PROTECTANT**

**Chemical engineered to reduce the surface tension of cooling circuits in petrol as well as diesel engines including all turbo charged engines, thus it penetrates more deeply into metal surfaces at vital heat transfer areas.**

## **Windscreen Detergent**

**A special formula engineered to wipe and clean car windscreens covered with smog, midgets, and insect residues. Purely and effeciently developed formula fully inhibited for maximum cleaning.**

## **AUTO WAX SHAMPOO**

**The natural active detergent principle assures a complete and rapid cleaning giving the bodywork a matchless neat and shiny gloss.**

## **AIR FRESHENER**

- Great way to keep your car smelling fresh**
- Banish odors**
- Refreshing scent**

## **200 LIT DRUMS**

- **industrial heavy duty degreasing PH.**
- **Windscreen detergent.**
- **Rim Cleaner.**
- **Coolants and Anti freezes.**

**and much more to come...**
